Embark on a Journey of Spiritual Growth & Renewal

We are called to walk through our lives' journey with hope, encouragement, and faith — but the truth is that the challenges we come across and the hurdles we face can be overwhelming, leaving us weary. Robin's 3-volume book series provides readers the tools they need to pack for their life's journey and embark upon it with guidance, courage, and Biblical direction.

In his first book, ***May You Live in Christ,*** Robin shows readers how St. Peter uniquely speaks to everyone today and, through his vision, how they can see their life in Christ and grow in the Spirit. In his second book, ***The Door to Renewal,*** he provides Christians valuable guidance toward spiritual renewal by learning from St. Paul's eternal conversation as a framework for life. And his third book, ***A Letter to the Church and the Next Generation,*** navigates the Letter of James and leaves readers charged to become the spiritual mentor they are called to be.
